

Dear Customers,

Due to numerous raw material price increases in the past few months, we are revising our Zythane TPU prices effective March 15, 2018. The prices will be increase as follows:

**Zythane TPU 4000-Series and 5000-Series \$0.15/lb**

**Zythane TPU 6000-Series and 7000-Series \$0.20/lb**

As the uptrend seems to be continuing during the next months, we cannot exclude the possibility of having to adjust our prices further in the near future.

APS Elastomers appreciated your business and support. It is our goal to deliver innovative quality products and technical solutions to our valued customers.
